Albuquerque is served by air at Albuquerque International Sunport (ABQ). The hotel does not provide an airport shuttle. A rental car would be useful in Albuquerque, though it is not required as ride sharing services operate in the city.

Directions from the airport by car:
Follow the signs west from the airport to Interstate 25 North. Take I-25 North to I-40 East. Take the Louisiana Boulevard exit and turn left (north) onto Louisiana Boulevard. The hotel is visible on your left.

There are quite a few restaurants and two shopping centers within easy walking distance of the hotel. The following restaurants requiring a car trip are also highly recommended.

Excellent classic New Mexican food:
El Pinto, https://www.elpinto.com/
Sadie's, http://www.sadiesofnewmexico.com/

The best green chile cheeseburgers:
The Owl Cafe, http://www.owlcafealbuquerque.com/
